September 2014

Dear Parents/Guardians:

The Elementary and Secondary Education Act is our country's most important federal education law. This law was reauthorized and is now called the No Child Left Behind Act (NCLB). NCLB was designed to make changes in teaching and learning that will help increase academic achievement in our schools.

The law requires that schools receiving Title 1 funds must inform parents of their right to ask about the qualifications of their child's teachers. Our school receives Title 1 funding and we are happy to share this information with you at your request.

We believe that the most important aspect for your child's education is having a well-prepared and highly qualified teacher. The law requires that teachers must meet a specific legal definition of "highly qualified" in order to teach in schools that receive Title 1 funding. The legal definition includes the following:

- A four year college degree
- A regular teaching certificate/license

We are extremely proud of the quality of the teaching staff in the Hawthorne School District. All of our teachers have college degrees and many have advanced degrees. The state of New Jersey has always required a teaching certificate/license for all teachers. In addition, every teacher continues learning through professional development activities. Our teachers are evaluated each year to assure their teaching skills remain at the highest possible level.

A highly qualified teacher knows what to teach, how to teach, and has a full understanding of the subject matter being taught. Every teacher in our school is highly qualified and dedicated to your child. I encourage you to support your child's education and communicate with your child's teachers on a regular basis. For more information on NCLB and the role of parents, please visit the United States Department of Education (USDE) website at www.ed.gov/nclb.

By partnering, families and educators can provide your child with the best education possible.

Sincerely,

Dr. Jill Mortimer
Superintendent of Schools

2415.04 TITLE I – DISTRICT WIDE PARENTAL INVOLVEMENT

GENERAL EXPECTATIONS

The school district will put into operation programs, activities, and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with Section 1118 of the Elementary and Secondary Education Act (ESEA). Those programs, activities, and procedures will be planned and operated with meaningful consultation with parents of participating children.

Consistent with Section 1118, the school district will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of Section 1118(b) of the ESEA, and each include, as a component, a school-parent compact consistent with Section 1118(d) of the ESEA.

The school district will incorporate this District-Wide Parental Involvement Policy into its school district's plan developed under Section 1112 of the ESEA.

In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESEA in an understandable and uniform format, including alternative formats upon request, and to the extent practicable, in a language parents understand.

If the school district's plan for Title I, Part A, developed under Section 1112 of the ESEA, is not satisfactory to the parents of participating children, the school district will submit any parent comments with the plan when the school district submits the plan to the New Jersey Department of Education.

In the event the school district is required to reserve and spend at least one percent of the district's Title I, Part A allocation, the school district will involve the parents of children served in Title I, Part A schools in decisions about how these funds will be spent and will ensure that not less than ninety-five percent of the one percent reserved goes directly to the schools.

The school district will be governed by the following statutory definition of parental involvement, and expects Title I schools in the district will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving pupil academic learning and other school activities, including ensuring-

1. That parents play an integral role in assisting their child's learning;
2. That parents are encouraged to be actively involved in their child's education at school;
3. That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
4. The carrying out of other activities, such as those described in Section 1118 of the ESEA.

In the event the State of New Jersey or the New Jersey Department of Education has a Parental Information and Resource Center, the school district will inform parents and parental organizations of its purpose and existence.
