

North Wales Area Library 2021 Summer Reading

Tails and Tales

Summer Reading is an important way to help children retain the reading skills they learned during the school year. The library offers fun activities each week to keep your child engaged and excited throughout the summer.

Summer Reading Fun for Everyone! Visit the library once a week and share a book you've read with a librarian for fun prizes!
To register, visit the library or call: (215) 699-5410

See how many books you can read and activity badges you can earn with **Beanstack Reading Challenges** for the whole family!
Get started with Beanstack at: northwaleslibrary.beanstack.org

Participate in fun activities like **Story Time** or find one of our **Story Walks** out in the community.
