In accordance with Sections 10-186, 10-220 and 10-253(d) of the Connecticut General Statutes, the East Hartford Board of Education requires proof of residency in East Hartford prior to enrolling a student in the East Hartford Public Schools. Individuals seeking to enroll in the East Hartford Public Schools will therefore be required to provide proof of residency in East Hartford. **Such information shall be subject to verification by the East Hartford Public Schools Residency Liaison/Attendance Officer.**

Pursuant to Section 10-253d of the Connecticut General Statutes, a child living with any individual other than the child's parent/legal guardian can attend school in the district only if such residence is: 1) permanent; 2) provided without pay; and 3) not solely for the purpose of gaining school accommodations. In accordance with the statute, the district has the right to require proof that all three requirements have been satisfied.

In accordance with Section 10-186(b)(4) of the Connecticut General Statutes, if it is determined that a student has been enrolled in the East Hartford Board of Education in violation of the statutes referenced above, the East Hartford Board of Education has the right to assess tuition. Such tuition would be based on the district's per diem net current local educational expenditure (as defined in section 10-261), multiplied by the number of days the student was improperly enrolled in the East Hartford Public Schools. **In addition, the statute provides that the Board of Education may seek to recover the amount of the assessment through available civil remedies.**

I hereby give consent to the Residency Officer to investigate or obtain any information pertaining to my permanent residency (address). This may include a check with prior addresses to verify move, homeowners, landlords, case workers, and utilities, government agencies, housing agencies or any other agencies regarding my permanent residence.

I have read the above, and I understand all of the requirements described above concerning enrollment in the East Hartford Public Schools. I understand that the East Hartford Board of Education has the authority to impose tuition as outlined above if the student(s) being enrolled are not in fact residents of East Hartford. I also understand that the Board of Education has the right to pursue any and all legal remedies in the event that any student is enrolled improperly.
