Re: AHERA Management Plan

Dear Mr. Christine:

We want to remind you that it is time for an annual announcement to parent, teacher, and employee organizations of the availability of your AHERA Management Plan. We would suggest this be done by posting on the Quakertown Community School District web site, newspaper advertisement, a certified letter to the chairperson of each group or distribution at a meeting of each group with inclusion in the minutes of the meeting.

A copy of Federal Register Rules and Regulations (763.93 Management Plans) which mandates this action is enclosed.

The Federal Register under 763.92(a) also states that custodial and maintenance workers must receive two hours of awareness training within (60) days of hire. We are available to provide this training when needed.

Mr. Christine, should you or your staff have any questions on the above outlined Rules and Regulations, please don't hesitate to contact us.

Cordially,

Wayne R. Pistoia, MSE, NSPE
Director of Operations
