Dear ETSD Families,

“Alone we can do so little, together we can do so much.”

Point of Light this week: Schools Update; School Bus Advertising now available; Evesham Education Foundation Golf Classic; State and regional COVID activity level decreasing; and Book Drive update.

Schools Update

The final date for requests to switch from remote to in-person learning is Tuesday, May 10.

Please let your school principal know by May 10 of any request to switch to in-person learning. These requests take time to process and are needed by this date in order for us to make them possible by May 17 at the earliest.

Note: Bus windows will stay open even as temperatures rise due to the importance of air flow.

School Bus Advertising now available

Our district is offering for the first time ever the opportunity for businesses to advertise on our school buses. Our Evesham businesses are part of the strength of our communities. Interest is building, don't get left out! For more info:

Today is the last day of National Poetry Month. I weighed different poems to share here before deciding the best poem for this April is not words, but moments lived. Moments among family, resuming dormant rites, like lacing up cleats before a game, or shaking hands, or a grandchild hugging a grandparent. What could be a better poem than that hug?

Sincerely,

Dr. Justin Smith
