Dear ETSD Families and Staff,

“Alone we can do so little, together we can do so much.”
-- Helen Keller

Important news: The SRO ballot question and all transportation changes have been removed from our district's 2021-22 tentative budget.

Powerful Point of Light! Evesham Township will provide our district with much-needed financial support rendering the SRO ballot question and the transportation changes unnecessary in our tentative budget without causing any increase in staffing impact.

Our presentation this evening will speak about this great help from our Township in more detail. Deepest thanks to Mayor Veasy, Deputy Mayor Cooper, our whole Town Council, Town Manager Corrales, and more for this tremendous and timely assistance!

I share this news with you now partly due to the pandemic, as a resource for your planning for this evening, in case you have been considering whether to attend the Board meeting in person. We would encourage anyone not attending in person to watch the livestream, in order to stay informed. Socially distanced seating will be available in the DeMasi cafeteria and gym.

Sincerely,

Dr. Justin Smith
Superintendent of Schools
